God's Divine Design February 17-19, 2012

God's Design. He made them male and female. He made Adam for Eve and Eve for Adam. He brought them together. He does the joining! His design shows us the picture of how it is between Jesus and His Bride the Church. We'll look at relationships, dating, and the birds and the bees from God's design. He's the one, after all, who made us and brings us together!
